

# Spirit Invitational 2008 DVD

Once again, this year's Invitational is being professionally videotaped & released on DVD.

The morning DVD will contain the Junior High teams, Funk routines and the Junior Awards.

The afternoon DVD will contain the High School Teams, Senior Farewell Routines, Finals and their awards.

Each DVD will feature the performances and the awards as separate chapters selectable from the opening menu.

Orders are to be mailed to the address listed and not returned to Badgerette Pom Pon.

You can also turn in your order to me at the event — I'll be the guy in the center of the audience videotaping the performances.

A single DVD of either the morning or afternoon performance is \$25.

Both DVDs are \$40.

Cash or checks payable to Nolan Hurley or **nolanvision**.
