

# NEW YORK CITY DANCE STARZ TOUR

I want to thank you and everyone involved in Badgerette for all the wonderful opportunities you give the girls and their families! Julia and I had such a great trip to NYC it was the first time either of us had been to the city and we could not have had a better time. I am still on a high from the weekend I cannot get over everything we were able to do. We had so much fun in NYC seeing all the sites, shopping, the show's, meeting new friends and of course for Julia to be able to take 2 dance classes. You have given Julia so many wonderful opportunities words cannot express how grateful we both are. Thank you for letting me experience this with my daughter and all the wonderful girls and chaperones! This trip was something that Julia and I will never forget. Thank you!

I just wanted to thank you for the wonderful weekend that Sami and I had. We are so grateful that we were able to be a part of such an amazing experience. I also wanted to share with you how impressed I was with those awesome Germantown moms and daughters! Sami and I did not know a sole going into this trip (except for you of course!), and that group of ladies did not hesitate to include us in all of their plans. I enjoyed all the laughs we shared and Sami loved getting to know the girls also. They are all a wonderful example of all that Badgerette stands for and I know they will truly be missed by you and your organization. I look forward to seeing them all again at our upcoming competitions! Thank you again!

Thank you for a wonderful trip as usual! All was fabulous. The shows, sights, shopping and weather were all great. Kristina's favorite memory was the dance class with John Rua. Wow was she impressed with him and his talent! That will be something she will never forget. My favorite memories are always the people we meet. We have made some great new friends on these trips. Deanna Wagner, Kathy DeRango, and now Kristin Deakin just to name a few! Of course having Mary along made everything triple the fun!! Thanks again!

Thanks for the amazing weekend! There's so much to be thankful for. Some of my favorite memories include getting to work with Jon Rua, he was absolutely inspiring and so fun to watch. Definitely an experience I would have never gotten if this trip wasn't possible. My second favorite memory would be Central Park. It's my favorite part of NYC and I loved getting to share that experience with all these loving families and people. Thanks again and have a great holiday season!

My favorite memory in New York was going to dinner our first night. I got to meet new girls from many different schools and learn a little bit about each one of them. Though we all have different dance backgrounds and practice regiments, we all have a love for dance that nobody can take away. Thank you Badgerette for all of the opportunities you provide to us to follow our dreams and share our passion for dance!

Thank you from my mom and I, we had so much fun with every activity. I loved the dance classes it was amazing being able to learn from a Broadway actor, especially from Hamilton! I had a great experience getting to meet so many new girls and being able to spend time and catch up with girls I have met on previous trips. My mom and I had an absolute blast throughout the entire tour, thank you so much for having us! Thanks!
